

Sabre Travel Protection

Sabre Travel Protection allows travel agents to book the most comprehensive and flexible travel protection plans for their customers.

Protect your clients before, during and after their trip with travel insurance. And *Sabre® Travel Protection* gives you access to some of the industry's leading insurance providers such as CSA Travel Protection (our U.S. preferred vendor) and Travel Insured International, just to name a few.

More for your customers

- Provides protection in the event of trip cancellations, delays, baggage loss, medical emergencies, air flight accidents, rental car damages, financial defaults or identity theft
- Cancel for any reason
- Rate card pricing now available
- Door to door coverage for travelers
- Offers reimbursement for trip interruptions — up to 150% of cost
- Gives 24-hour emergency customer service

Exclusive Offerings:

- Pre-existing medical waiver until final payment
- Offers a no-risk trial period — full refund of premium within 10 days of purchase

More for you

- Sell quickly and easily without formats — use your mouse to point and click

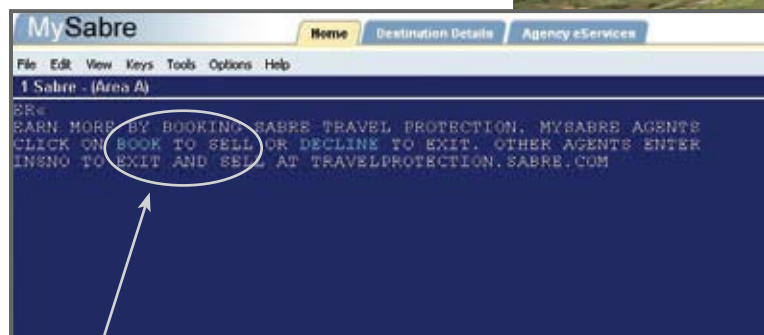

- Earn a minimum 25% commission as a licensed agent
- Save time — Passenger Name Record (PNR) is automatically updated in the *Sabre®* system and integrated with your back-office functions
- Easily create an accounting line for back-office automation

Exclusive Offering:

- Receive commission protection — if customer cancels, your commission is covered

Sell Travel Protection

To start selling CSA through *Sabre Travel Protection*, you can book it now and go through the certification process later. For more information, visit the *Sabre® Travel Protection* community page on *Agency eServices* (<http://eservices.sabre.com>).

Through the MySabre agent booking portal, you can easily include Sabre Travel Protection for your customers' trips.
