

TAKE FULL FINANCIAL AND MANAGERIAL CONTROL OF YOUR AGENCY'S OPERATIONS.

TRAMS BACK OFFICE

Trams Back Office is the most popular accounting and reporting travel management system behind some of the most successful travel agencies in the market today.

With *Tram Back Office*, you get fast and efficient access to traveler reservation data, providing a rich source of information for internal and external management reporting with full financial reporting.

Find invoice details quickly and easily with the robust invoice query filter options.

WHAT'S IN IT FOR YOU

Calculate and process commission payments quickly and efficiently. Replace spreadsheets and other archaic internal systems and simplify the commission tracking process – assuring greater accuracy and ease of processes.

Reduce staffing and overhead costs by reducing manual intervention and data entry. You'll benefit from improved workflow and automation and manage your cash flow and operating expenses in *Trams Back Office*.

Monitor, manage and grow your business easily with right-size, right-price information technology (IT).

Control costs with extreme efficiency.

Work seamlessly with *ClientBase* to deliver a complete solution incorporating GDS integration, CRM, general ledger and more.

Trams Back Office helps you lower operating costs and increase revenue. It's part of the *Sabre Red Revenue Suite*, which includes Revenue Optimization, Revenue Integrity, Financial Management, and CRM and Marketing Services.

HOW IT WORKS FOR YOU

Trams Back Office is an easy to learn travel management system that provides integrated and interfaced flexible management, accounting and marketing reporting. In addition, *Trams Back Office* seamlessly works with *ClientBase* to deliver a complete solution incorporating GDS integration, CRM, general ledger and more. With *Trams Back Office*, part of the *Sabre Red* travel solution, you'll have the capability to easily monitor, manage and grow your business.

HOW YOU WILL STAND OUT

Process your credit card merchant payments using the data you have already entered into the program with Credit Card Merchant included in your *Trams Back Office* software.

Access competitive rates available to you through our partnerships with credit card processing companies.

Access unlimited personal hands-on training, phone and email support, Internet-based classes, special topic classes, documentation, recorded trainings, quick reference guides, and more.

Obtain personalized attention and classroom-style training at an annual conference we host for you.

“Having been on Trams since January 1, 1996, I can't think of anything I would rather use for our agency's accounting needs.”
